# about the brand

---

DAL ROT'TI is an Indian restaurant in the heart of Germany, founded by a group of Indian friends who share a passion for the cuisine they grew up eating. Their vision was simple: to make the authentic flavors of India accessible to their friends and neighbors in Frankfurt. DAL ROT'TI is a testament to this vision, offering a menu that is a tribute to India's rich culinary heritage, filled with dishes that capture the essence of traditional spices, vibrant aromas, and unforgettable flavors.

Set in a luxurious ambiance that blends premium interiors with a warm, inviting atmosphere, DAL ROT'TI provides a unique dining experience that truly delights the senses. Beyond dining in, the restaurant also offers delivery and takeaway options, ensuring that the genuine taste of India can be enjoyed at any time, anywhere.

With every bite, DAL ROT'TI takes its guests on a culinary journey through India, staying true to its founders' mission of sharing the food they love with the world.

# about the logo

---

The logo for Dal Rotti, an authentic Indian restaurant in Germany, beautifully combines traditional elements with a modern design aesthetic to convey the brand's unique identity. At its center is a stylized figure of a Maharaj—a term used in India for a distinguished chef—wearing a vibrant turban and mustache, symbols of Indian hospitality and heritage. This mascot instantly communicates the restaurant's commitment to authentic Indian cuisine. The warm color palette of deep reds, oranges, and browns reflects the richness of Indian spices, evoking a sense of warmth and comfort central to the dining experience. The clean design balances cultural representation with modern appeal, ensuring versatility across various marketing materials. The bold, rustic typography adds a dynamic touch, while the lotus motif symbolizes purity and reinforces the restaurant's deep cultural roots. This logo effectively represents Dal Rotti's mission to deliver a genuine Indian culinary experience, appealing to both local and international audiences in Germany.
